Pesach 2022

Important: Do not discontinue use of any medicine without consulting with your doctor and Rabbi.

- All non-chewable prescription pill medications may be taken on Pesach. (This does not include vitamins and supplements.)
- Liquid, chewable or OTC medications that may contain chometz should only be used under the direction of a doctor and Rabbi.
- Liquid, chewable or OTC medications that contain kitniyos (see below) may be consumed by someone who is ill.
- An otherwise healthy person, who would like to consume a liquid, chewable or OTC medicine to relieve a minor discomfort, should only do so if the product is known to be free of kitniyos.

Please see our [Pesach Products page](#) for a list of chometz -free medicines.
